

JAPAN'S FOURTH SMALLEST VILLAGE

How would you like to

HIEZU

enjoy your day in Hiezu?

LOTS TO DO

in

HIEZU

Hiezu Village in Tottori Prefecture is the fourth smallest village in Japan. It has a total area of only 4.2 km². However, it is also the sixth most densely populated village in Japan, making Hiezu a place with many people that also has many exciting activities to offer.

Would you like to eat? How about some coffee?
Going on a run? Seeing a movie?
Taking some pictures? Visiting a shrine?
Or perhaps you're going to a hot spring for rest
and relaxation?
How would you like to enjoy your day in Hiezu?

MAP OF HIEZU

Callouts:

- You can enjoy marine sports such as stand-up paddle-boarding and kayaking!
- You can also go motor-paragliding!
- The Kaike Daisen Sea-to-Summit Triathlon starts here!
- You can go camping here! And you can take a bath at Unabarasou a 10 min. walk away!
- Has a movie theater and a Starbucks!
- You can buy very fresh seafood here! And "Yamayoshitei's Kaisen-don" is a must-eat!
- In spring, tulips are in full bloom, making it the perfect place for a running course!
- Delicious coffee that has been uniquely roasted and is free of off flavors.
- The spectacular dragon carvings at the hall of worship make this a must-see!
- A popular restaurant that serves delicious ramen and gyoza.
- The night view of the paper mill is soooo photogenic!
